Holme Pierrepont – White Water Course

The 2009 European Canoe Slalom Championships will be held on the River Trent white water course at Holme Pierrepont, Nottingham.

Description

The white water course was artificially constructed in 1986 and utilises a drop of 4m caused by a flood control barrage on the River Trent. A high flow rate of 25 cumecs makes the course deep and powerful. Since playing host to the ICF Senior World Canoe Slalom Championships in 1995, the course has played host to a number of major international events including a Wild Water Racing World Cup, European Freestyle Championships and the 2006 ECA Under 23 and Junior European Canoe Slalom Championships.

Travelling to Nottingham

Nottingham East Midlands and Birmingham are the nearest airports to Holme Pierrepont and are serviced by a variety of budget airlines from Europe. Other relevant airports with budget airline services include Coventry, Stansted, Luton, Manchester and Liverpool.

Travelling to Nottingham without flying from Europe will involve crossing the channel. The Channel Tunnel is probably the quickest method, but a ferry (P & O, Sea France, Norfolk Line) can often offer better value

WGT Sports are the official Accommodation and Travel provider for these championships and can offer competitive rates and airport transfer services:
