Volunteer Development Programme

Like all major sporting events, the 2009 European Canoe Slalom Championships will be staffed mainly by volunteers. Volunteers involved in the championships will consist of those directly involved within the sport of Canoe Slalom and those with an interest in supporting Canoeing, Events or the Community.

These Championships our one of our test events towards the preparation for London 2012, which will also be staffed hugely by volunteers. Events like the European Canoe Slalom Championships provide a major positive for the CV and provide an excellent experience for any involved persons – so signing up to volunteer on www.london2012.com and gain some experience in May 2009!
