

Premiere Launch

Sprint Racing – Our Sport

9pm, Saturday Night – In The Bar

Commissioned by the Sprint Racing Committee this Maximus Productions Film showcases our fantastic sport to those looking for something very special.....

Targeted at young people to encourage more to feel what it is really like and fire their motivation to race, the programme is immediately available via the internet at www.Outdoorstv.tv

Every school in the country can watch without additional cost, anyone with a PC and broadband connection and anyone with a smart phone can go straight to a full TV quality ultra professional and inspirational introduction of our extraordinary sport.

Forward the link to your friends anywhere in the World, include the link in your Facebook page, your schoolwork and Club websites.....

As we run up to the full 2012 Olympic Year lets show what our sport is truly about and get young people involved.....

With thanks to Roger Burlinson of Maximus Productions who himself has become so infected by this sport he too has started racing!!!
