[www.bcu.org.uk](http://www.bcu.org.uk) ☎ 0115 982 1100

On behalf of the **National Water Sport Centre, British Canoe Union and Sport England**, we would like to remind you all of the basic precautions and rules that should be observed by **ALL** competitors and officials.

1. All persons on the water in canoes and motor boats **must** be able to swim at least 50 metres.
2. All craft must have integral buoyancy and be water-worthy.
3. Those on the water should be suitably dressed for the conditions prevailing at the time of the event. There may be times when this includes the wearing of buoyancy aids so please bring them with you.
4. The craft circulation rules shown in the programme should be adhered to at all times.
5. Team Leaders are responsible for ensuring that paddlers entered for events are competent to handle the prevailing conditions and can manoeuvre their craft. All paddlers must have been taught what to do in the event of capsize.
6. All competitors are advised to shower after using the Regatta Course. All cuts and abrasions should be covered with waterproof plaster. Please read the NWSC guide to water related illness, available from the Reception desk.

# TEAM LEADER REGATTA NEWS 33

Volume 4-02

ISSUE 33

June 2009

**My fellow Team Leaders**, welcome to the 2009 BCU Canoe Sprint Regatta **Prize giving** and congratulations too, to the 52 paddlers who got promoted at May's Regatta, those junior paddlers to collect certificates on Sunday at 1pm the SRC Chairman – Peter Moule and I will be presenting and receive a BCU Canoe Sprint Racing certificate, taking place at the bottom of the tower area. Please make sure all your paddlers attend.

**Team Leaders** [B13] – Each club must nominate one representative to deal with alterations and late entries at the meeting. This nominated representative will be responsible for all the money owed for the entries he submits. This money must be paid by 4:00pm on Saturday. Failure to pay on time will incur a £20.00 surcharge that must be paid by the end of racing on Saturday. Failure to meet this deadline will result in all paddlers from that club being disqualified from Sunday's racing.

**A copy of the circulation plan can be found in the printed programme.**

- **Towpath Code for Cyclists** – The National Water Sport Centre allows cyclists to use the towpath on sides of the regatta course when weather conditions permit and at their own risk. Cycling can be hazardous so watch out for pedestrians, service vehicles, muddy slopes etc and please be sure to follow the NWSC Code. Your attention to the program. You are responsible for your own safety!

- **Boat Control - Weighing**

The Boat Control tent has been moved to the other side of the Finish Tower and this operation will continue on a random basis for the coming season. To assist with the task of informing the paddlers, in conjunction with commentary, we will now be using a Number board display showing Lane numbers called for boat weighing.

- **Parking of cars**

There will be no parking of any vehicle on the beachside overlooking the regatta lake starting from the Tower all the way down to metal gate near the 200m start huts.

- **500m & 200m, 1000m events** - This will be continuing starting with 500m races on Saturday followed by 200m racing, then on Sunday 1000m racing only and the same for the rest of the year so please make sure all your paddlers are aware of this change.

- **Late entries** - Just a reminder: late entries for ALL laned events must be made at the Team Leaders' Meeting. Entries will NOT be accepted at the Regatta Secretary's Desk once the TL Meeting has closed, (as per the Racing Handbook, section under the BCU Flatwater Racing Rules 2009).

- **Qualification for all finals** - All draws for finals will be based on TIMES from the heats with the exception of Mens A, Woman's A, Boys & Girls A, where qualification is based on place.

**Mini K4, Mini K2 & Lightning events** – Aims to encourage the development of skills and participants in sprint racing, thereby laying long-term foundations for the future of sport of canoe racing. This event is to encourage the participants to train, improve and to compete together. The Finals of each Lightning classes are timed into the main Saturday and Sunday Timetable. Please make sure you name your crews boats at less 1 hour before those races and not at the team leaders meeting. **Lightning: Fixed fee of £20.00 for the weekend or £10 a single day.**

**Number Boards** - A plea! Please help us and your club paddlers by making sure that all boats carry a number in all races. Sadly quite a number failed to do so at the last regatta. Not only does this make it very difficult for officials at the finish but penalty points will have been incurred.

**Lane Number Boards FOR SALE** - Sprint racing lane number boards (1 to 9) are available from the Regatta Secretary's Desk **£15**.

**AS EVER THE STARTERS UNDER STRICT INSTRUCTIONS TO START RACES ON TIME** and not to wait for late arrivals. Please ensure that all your paddlers are ready to start their races **ON TIME**. **Please** also make paddlers aware that at the end of each race they might be called for Boat Weighing (if called) as quickly as possible. They must come directly to Boat Control before warming-down **OR THEY RUN THE RISK OF DISQUALIFICATION**. So let's all be positive and look forward to a rewarding and uplifting weekend.

## **BCU Regatta "Liability" Statement**

Canoeing and Kayaking are assumed-risk water-contact sports. Participation in these sports carries an inherent risk of injury to competitors and damage to property. Participants should be aware of the risks involved in these sports and are responsible for their own actions

and their involvement in these sports. In all cases competitors compete entirely at their own risks. Each of the Regatta Organisation, the Sprint Racing Executive, the British Canoe Union exclude liability for any loss or damage that may occur to competitors or property during participation in canoeing and kayaking to the fullest extent permitted by law.

All competitors must be **current** comprehensive members of the British Canoe Union expert for juniors ranked in 'Girls D' or 'Boys D' who are members of clubs with registered juniors sections.

Regatta Entries are accepted on the basis that each competitor and Parent/Guardian of a junior is aware of and has accepted the above conditions. Team Leaders are requested to ensure that all of their club competitors are aware of and accept the above statements.

**Particular attention is drawn to safety requirements**, especially the need for adequate buoyancy in all boats. **Sufficient fixed buoyancy must be securely fitted to all boats they are allowed on the water.** Severe penalty points (and disqualification) will be incurred by all those ignoring this requirement. This is intended to ensure the safety of all those on the water.

**Duty of care – ADEQUATE BUOYANCY** Team Leaders are reminded that, should the weather conditions on the Course Lake prove inclement, it may become necessary to introduce the *mandatory wearing* of Buoyancy Aids/Life Jackets for some or all paddlers. In such circumstances competitors will not be allowed to go afloat without Life Jackets/Buoyancy Aids that conform to BCU/BCMA STANDARD BA83.

Furthermore the BCU Racing Rules for Regattas require that all kayaks and canoes must have fitted with adequate buoyancy in each craft as in the BCU Racing Handbook. Team Leaders should ensure that paddlers always bring Buoyancy Aids/Life Jackets and have the correct buoyancy fitted to their boats.

**What to do** if anyone takes the swim (capsizes) and you think you may have an infection - go to your doctor and tell him/her that there may be a risk of Weil's Disease/Leptospirosis that must be swiftly diagnosed and treated.

Please report any cases of these two to the **BCU Office**. ☎ 0845 370 9500

**Paddlers Post** - Could you ask some of your club paddlers/parents to contribute to the "Paddlers Post".

They must have something of interest to pass on. Simply email: [annandjohn@hoile.plus.com](mailto:annandjohn@hoile.plus.com)

**Warm-Up on Course Lake** - Please ensure that none of your paddlers uses the lake at all until effective safety cover is in operation by the motorboat team. NWCS regulations mean that no paddling is permitted without appropriate safety boats. We plan to have this in place from 08:00 hours on Saturday. On Sunday cover should commence from 30 minutes prior to the first race until the end of the last long distance race. Please ensure that all competitors are aware of the new rule.

**Community Crime Prevention Security Notice:-** We would like to remind everyone of security procedures:

**\* Do not leave your belongings unattended. \* Do not leave your vehicle unlocked.** If you see anyone acting suspiciously, please report this immediately to Reception ☎ 0115 982 1212 or any member of Centre staff.

**Profiles for Commentary** - Are you able to assist us by providing some background information about your paddlers? If you're happy for such information to be used as part of the race commentary then please forward this to the regatta organiser.

**BCU System for membership for Juniors of a BCU Affiliated Club.** A junior club member need not be a full member of the BCU in order to race in Junior D Classes. He or she must be a member of his or her club, and the number used for his or her identification will be the club's affiliation number followed by his or her own individual club number.

Should he or she be promoted however, to 'C' or above, he or she must then become a full member of the BCU in his or her own right.

It is the responsibility of the Team Leader to advise the Registration Officer of the full BCU Number. Upon promotion to "C" Class there is a period of grace of 4 weeks during which a junior, racing with a registered junior section card, must become an individual comprehensive member of the BCU/WCA/SCA/CANI.

**Feedback** If you have any ideas or suggestions, please do not hesitate to make them known to any of the Officials. All comments will be considered. **BCU Regatta Organiser** Peter Morley 17 Springfield Road, Guildford Surrey GU1 4DW ☎ 01483 571996 [peter.c.morley@btinternet.com](mailto:peter.c.morley@btinternet.com)

# BCU Regatta Course Safety Instructions & Information for all Competitors and Umpires

The BCU Canoe Sprint runs under BCU National Canoe Sprint Racing competition rules & the NWSC Safety Code for canoeing.

The regatta will endeavour to provide a safe environment within the Water Safety Code although competitors and coaches are specifically reminded that persons using the lake and the adjoining river do so entirely at their own risk and are solely responsible for:

- Their own safety.
- Ensuring that their boats are safe and are prepared to the standards required by the BCU Water Safety Code and the national rules of Racing. Any boat that fails to meet the standard shall be excluded.
- Strict observance of the circulation pattern (see below) and the Water Safety Code.
- Deciding, together with their coaches, whether or not they are competent to use the lake in the prevailing weather conditions.

**Clubs and competitors are also reminded that they must: -**

- Only practice while safety boat on the course.
- Not practice in the race area.
- Make their own safety arrangements before and after the day's racing.
- Canoes that wish to train on the River must make their own safety arrangements. They must also ensure their boat is licensed to be on the River and follow the rules of the river.
- Ensure that all roadways and access routes are kept clear at all times and that they should not park in the Finish/Presentation Stage area. Paddlers should be especially vigilant in the boating/boathouse areas.
- Report all accidents to the Regatta Office.
- Paddlers must display the correct Lane Number.
- Paddlers must wear the correct racing vest/top.
- All paddlers must paddle to the start line **SLOWLY** down next to **Lane 1** to the Starting Line and be very careful, and clear the finish area and lake quickly and safely; you may NOT warm-down in this area.
- Results and Draws will be published inside the main building at the bottom of the stairs by NWCS reception.

**Failure to comply with these rules may lead to the removal of the paddlers or club from the Event.**

## **Points of Danger**

- Great care should be taken when using the starting boats. Note that the pontoon nearest the Finish Tower is only for Umpires and Safety Boats.
- Paddlers must be aware of the potential danger of being blown by the crosswind and capsizes. Paddlers are advised to stop close to the bank.
- Paddlers must take particular care of the stake-boat mooring cables beside the start lines.
- Paddlers must particular care while on the lake.

- **Paddlers must take particular care in the finish area to avoid collisions with other canoes that have just finished, have been warming down or that are returning from the presentation area.**

### **Warming up on Course Lake:**

Please ensure that none of your paddlers uses the lake at all until effective safety cover is in operation by the motorboat team. The regulations mean that no paddling is permitted without appropriate safety boats. We plan to have this in place from 08:00hours on Saturday. On Sunday cover should commence from 30 minutes prior to the first race until the end of the last race. Please ensure that all competitors are aware of the new rule.

### **Speed to get the start points:**

All boats to proceed slowly alongside Lane 1 going down the course and past the Start Line point. And to arrive past the line of Blue Buoys (100 metres above each start line) 5 minutes before "RACE TIME". Listen for race number to be called. Remember race time is shown on the TOD Clock. If a paddler misses its slot, may not be allowed to race.

### **Start:**

All boats shall proceed to the start SLOWLY alongside Lane 1, down the course and past the Start Line point. There have some been some changes to the ICF for the start, as follows:-

"Competitors shall be on the water at the starting area not less than five minutes prior to the specified time of their race. The starting area is defined as being the area of water within 100 metres before the starting line. Two minutes before the defined starting time the competing boats have to take the lane determined in the programme"

In essence this means be at the start in good time, do not paddle too far away, stay within reach of the blue buoys (100 metre line), and get yourself lined up behind the correct lane. Listen for your race number to be called and remember that Regatta Time is shown on the TOD Clock (on the bank next to the start hut). If a paddler misses their start slot they may not be allowed to race. THE STARTERS WILL NOT WAIT.

### **Boat Control:**

This will continue on a random basis at all BCU National Canoe Sprint racing regattas events will, in addition, be subject to the usual weighing of the first few boats in all finals.

### **Warming down on Course Lake:**

All paddlers may warm down by carefully turning below the Finish Line and proceed back to the start line **SLOWLY** down next to **Lane 1**.

### **Safety Boats:**

There are safety boats on the course during racing and the first duty of the umpire and the umpire's launch is to safety of the competitor or any person in difficulty.

### **Cycling, Skating, Rollerblading:**

Cycling, skating, rollerblading etc, is prohibited in all Regatta enclosures in the main boating areas and down the side of Lane one. Cyclists etc, must give way, **at all times and towpath code for cyclists**, to pedestrians and service vehicles of the Regatta and display hazard lights.

### **General Information:**

**Trade Stands** – Duty Manager [NWSC] to collect charges and issue a VAT receipt.

**Anyone found camping in tents, motor homes, caravans or vans anywhere other than the campsite WILL BE REMOVED. Note this is due to the camping licence only including the campsite and ski tow camping area. They are in breach of the licence if they allow camping on the main centre site. Please can you pass this information to all competitions and officials.**

### **Accidents and Emergencies:**

All accidents and emergencies must be reported to a Regatta Official as soon as is practicable. The Official will summon medical support if necessary and will summon any additional support that may be required. The Official will also ensure that the Regatta Organiser / Chief Official and Main Reception Centre are aware of the incident. A written Incident Report MUST be completed by the Team Leader of the appropriate club(s) for all accidents, collisions or capsizes.

### **Medial Support:**

The Main Reception can be contacted Reception Office ☎ 0115 982 1212, next to Boathouse/Regatta Secretary Desk or any Regatta Official radio during racing. A Duty Officer of the NWSC is on call during racing day, contactable through the Centre Reception.

During racing hours will provide medical and first aid facilities at the Main Building. Medical facilities are indented to cover emergencies only.

## GUIDELINES FOR USE OF PHOTOGRAPHIC & FILMING EQUIPMENT

Whilst the BCU recognises that publicity and pictures/ recordings of young people enjoying Paddlesport are essential to promote the sport and a healthy lifestyle, the following guidelines should be observed.

### The key concerns regarding the use of images of children and young people relate to:

- The possible identification of children when a photograph is accompanied by personal information.
- The inappropriate use, adaptation or copying of images for use on child pornography or illegal website.
- The taking of inappropriate photographs or recorded images of children.

### Guidelines for Photographic/ Recorded Images

- Ensure parents/ guardian/ young person have granted their consent for the taking and publication of photographic images.
- All children featured in recordings must be appropriately dressed with outer clothing garments covering torso from at least the bottom of their neck to their thighs (i.e. a minimum of vest/ shirt and shorts).
- The photograph or recording should focus on the activity rather than a particular young person and personal details, which might make the young person vulnerable, such as their exact address, should not be revealed.
- Clubs, coaches and volunteers should be allowed to use video equipment as a legitimate coaching aid and means of recording special occasions however care should be taken in the dissemination and storage of the material.
- You should not use any images of a child or young persons who is the subject of any court order or who has denied you their consent.
- Parents and spectators taking photographs/ recordings should be prepared to identify themselves if requested and state their purpose for photography/ filming.
- Any instances of the use if inappropriate images should be reported to the Club, BCU or the Police.

### Guidelines for Publishing Photographic/ Recorded Images

- If a photograph is used, avoid naming the child by using their first name only. Personal details of children such as an email address, home address and telephone numbers should never be revealed on a website or in print.
- Think about the level of consideration that you give to the use of images in all publications, for example the process used in choosing photographs for a publicity brochure for the club. Apply an increased level of consideration to the images of children used on websites.

## **Towpath Code for Cyclists**

***The National Water Sports Centre allows cyclists to use the towpath on both sides of the regatta course when weather conditions permit and at their own risk. Cycling can be hazardous so watch out for pedestrians, service vehicles, muddy slopes etc and please be sure to follow the NWSC Code.***

1. Do not ride fast and never race along this towpath
2. Take special care if dogs or other animals are present
3. Track surfaces may be uneven or wet, so watch out for holes, bumps and muddy or slippery patches
4. Ride in single file and not in more than groups of four
5. Always be prepared to stop, dismount and push your bicycle past walkers, particularly when families and young children are present
6. Your bicycle must be fitted with a bell or hooters which you should use to alert other people of your approach, particularly if approaching from behind
7. Always slow down when approaching walkers or anglers. If the path is narrow, it is safer to everyone if you dismount and wheel your cycle past
8. Cyclists etc, must give way, **at all times**, to pedestrians and service vehicles
9. Minimise path erosion by not skidding. Always keep to the path – never cycle on the verge
10. Be especially careful when returning to public roads
11. Check at access points and as you continue whether the path condition is safe and not wet and muddy
12. The towpath is not suitable for organised cycling events (e.g. sponsored rides) but permission might be granted in some cases. Consult the NWSC Office
13. Cyclists are strongly advised to wear an approved safety helmet. Other safety clothing, eg knee / elbow protectors and gloves is also recommended.
14. Follow the cycle code

## 6 & 7 June 09

**Qualification for finals** - Please ensure competitors are aware that **Draws** for the finals of **ALL** events (except Mens A, Womens A, Boys & Girls A Classes and based on place) will be based on times.

All boats shall proceed to the start SLOWLY alongside Lane 1, down the course and past the Start Line point. There have some been some changes to the ICF for the start, as follows:-

"Competitors shall be on the water at the starting area not less than five minutes prior to the specified time of their race. The starting area is defined as being the area of water within 100 metres before the starting line. Two minutes before the defined starting time the competing boats have to take the lane determined in the programme"

In essence this means be at the start in good time, do not paddle too far away, stay within reach of the blue buoys (100 metre line), and get yourself lined up behind the correct lane. Listen for your race number to be called and remember that Regatta Time is shown on the TOD Clock (on the bank next to the start hut).  Saturday evening in the Regatta Bar  
 Quiz starts at 7.00pm (approx)  
 £1.00 entry  
 Every completed entry form will be entered  
 into a free draw to win more great prizes

# Sunday - Timetable

**Qualification for finals** - Please ensure competitors are aware that Draws for the finals of ALL events (except Mens A, Womens A Boys & Girls A Classes and based on place) will be based on times.

All boats shall proceed to the start SLOWLY alongside Lane 1, down the course and past the Start Line point. There have some been some changes to the ICF for the start, as follows:-

"Competitors shall be on the water at the starting area not less than five minutes prior to the specified time of their race. The starting area is defined as being the area of water within 100 metres before the starting line. Two minutes before the defined starting time the competing boats have to take the lane determined in the programme"

In essence this means be at the start in good time, do not paddle too far away, stay within reach of the blue buoys (100 metre line), and get yourself lined up behind the correct lane. Listen for your race number to be called and remember that Regatta Time is shown on the TOD Clock (on the bank next to the start hut). If a paddler misses their start slot they may not be allowed to race. THE STARTERS WILL NOT WAIT.

## 2009 Regatta's

4 & 5 July 09, 5 & 6 Sept 09 NWSC

All boats shall proceed to the start SLOWLY alongside Lane 1, down the course and past the Start Line point. There have some been some changes to the ICF for the start, as follows:-

"Competitors shall be on the water at the starting area not less than five minutes prior to the specified time of their race. The starting area is defined as being the area of water within 100 metres before the starting line. Two minutes before the defined starting time the competing boats have to take the lane determined in the programme"

In essence this means be at the start in good time, do not paddle too far away, stay within reach of the blue buoys (100 metre line), and get yourself lined up behind the correct lane. Listen for your race number to be called and remember that Regatta Time is shown on the TOD Clock (on the bank next to the start hut). If a paddler misses their start slot they may not be allowed to race. THE STARTERS WILL NOT WAIT.

Welcome to the 2009 Minisprint season.

Most of you will have seen the changes to the series.

If not you will find them on the BCU and Wey Canoe Club websites or in the Canoe Sprint and Marathon Handbook on pages 16 and 17 available for £4.50 at the Secretaries Desk at the Nottingham Regattas.

The changes came about by taking on board comments from parents, coaches, paddlers, regatta officials and the Sprint Racing Committee.

To obtain the key outcome of bringing K1 Lightning paddling in line with the main event meant heats and finals needed to be timed within the regatta system, therefore, all groups had to accept some compromises.

The entry conditions had to be changed to ensure paddlers could cope with the regatta course in a K1.

We are aware that not all clubs have access to delivering the BCU's Paddlepower scheme so please note, *this is a guideline* to the standard thought to be suitable for paddling at Nottingham. Please accept the advice given to you by your club coach.

Please make sure that you have checked carefully the times that your paddlers achieve and place them in the appropriate category on your main club entry form.

A: Faster than 3 minutes 45 seconds

B: No slower than 4 minutes 15 seconds for 500m.

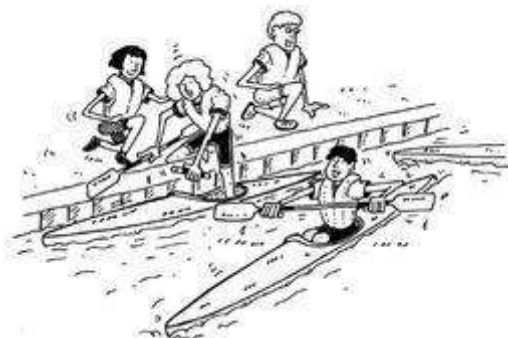

The coaching activities this year will be differentiated to allow for the different skill levels of paddlers. This will be linked with the categories A/B rather than age.

For paddlers not yet reaching the times require the BCU are planning a series of local sprint regattas to introduce them to the discipline. We should be able to tell you more about these at the May Regatta.

*Each club needs to provide an adult to be a Minisprint Team Leader.* There will be a meeting for these team leaders on Saturdays at 9.30 following the main team leaders in their appointed room. Please assemble by the Secretaries Desk.

At the team leaders meeting you will be given a programme for each day and crews for K2 and K4 will be finalised. You will also meet the coaches and the two Regatta Officials who will assist you throughout the weekend.

## 2000metre Lake Circulation Plan for BCU Kayak/Canoe Regattas

**NWSC Course circulation pattern at BCU Regattas:** All paddlers/athletes proceeding to the start must do on the Tower side **OUTSIDE THE BUOYED LANES**. Competitors warming up, or launching from pontoons on the main building side of the course, must not cross the racing lanes at any point nor must they attempt to delay proceedings by approaching the start on the course. **NO LAUNCHING** what so ever from the Umpire/Presentation jetty. the area between the finish line and the 10km turn buoys at the boathouse end of the course must be kept clear. All craft launching should proceed to the (Tower side) Westbound of the course around the outside of the 10km turn,
