

***Job Opportunity***

**Team North - Senior Development Officer**

(North East, North West, Yorkshire Region)

Canoe England are seeking to recruit a full time development officer for the Team North area, to work at this exciting time in sport to help us maximise new development opportunities and support clubs, centres and coaches . This position would also involve a line management role for the Team North Development team and would incorporate a Paddlesport Development Officer Role for Yorkshire

We are seeking applicants with the following attributes:

- A solid coaching background - ideally an updated level 3 coach or above - with experience in sport development and/or coaching development
- Experience of and a positive attitude towards both competitive and recreational aspects of Paddlesport
- Able to demonstrate a commitment to developing young people and the sport and an understanding of the issues involved
- Line management and Leadership skills
- Excellent communication and motivational skills
- Good administration and IT skills with at least 3 years relevant work experience
- The ability to work on your own initiative and under pressure
- Enthusiasm and drive

**Remuneration £ 26K per annum + benefits**

**Closing date for applications Mon 1<sup>st</sup> March 2010**

---
